

## Appeal Dates & Information Academic year 2025/2026

If you have not been offered a place following an in-year application, the law entitles you to appeal to an **Independent Appeal Panel**. This panel is completely independent of the school and the Local Authority. In accordance with the 2022 School Admission Appeals Code Appeals, the admission authority and panels have elected for all admissions appeals to be held online.

If you wish to appeal, please use [this link](#) to complete your appeal online. Please do NOT use ANY other appeal form or send your form to your local authority. It is **highly recommended** that you download the explanatory booklet about appeals which you should read **before** you complete the appeal form. [Booklet Link](#)

You should include any evidence or supporting material with your appeal form (photos of your child will not be accepted). You **MUST** state the grounds of your appeal at the time you lodge your appeal form. Your appeal form will not be accepted unless you give the grounds of your appeal. You may appeal for more than one school, but a separate form must be completed for each school you wish to appeal a place at. If you are appealing for more than one child, a separate form must be completed for each child.

Please note that the online form will ask you to download two utility bills dated in the last THREE months. If you do not have access to a scanner, please take two photographs using a mobile phone and upload the photographic files.
