Students will study 10 GCSE subjects. Any additional GCSE twilight courses must be discussed and agreed with the twilight class teacher and Ms Bongout (KS3 Lead). For more information, please refer to the options booklet.

The form for choosing GCSE subjects will be completed electronically. Students will receive an email in due course with personalised login details for the Applicaa online form. This will be sent to their school email address. All option choices must be submitted by the deadline of **Tuesday 11 March 2026**, which is shortly after the Options Evening.

I would encourage you to start discussing and considering the GCSE options with your daughter if you have not done so already. If your daughter finds it difficult to decide on a particular career path or subject, we advise you to consider which subjects they enjoy most and where they have a proven academic ability or potential. To allow a wider range of choices to be kept open for your daughter's future, please do try to maintain a balance of subjects.

Yours sincerely,

*Kate Brazier*
