

12 November 2025

Dear Parent/Carer,

Further Mathematics AS Level Examination – Summer Entry for Year 12 Students

I am writing to inform you that all students currently studying A Level Further Mathematics at Newstead Wood School will be entered for the **AS Level Further Mathematics examination** this summer.

This decision has been made for two key reasons:

1. **Progress Data:** Sitting the AS examination will provide us with valuable information about each student's progress and understanding of the course material at this stage. This will help us tailor support and guidance for the remainder of their A Level studies.
2. **UCAS Applications:** Completing the AS Level examination will give students an additional qualification that can be included in their UCAS applications. This can strengthen their academic profile when applying to universities.

Please note that this entry does not affect their continued study of the full A Level Further Mathematics course, which they will complete in Year 13.

If you have any questions or concerns regarding this decision, please do not hesitate to contact me at aneman@newsteadwood.co.uk.

Thank you for your continued support.

Yours sincerely,

A Neman

Dr A Nehman
Head of Maths

Headteacher: Mr Alan Blount, MA, BSc, QTS
