Dear Parent/Carer

Year 10 Geography Field Trip to Reculver

I am writing to inform you of a forthcoming field trip to Reculver in Kent for Year 10 Geography students on **Wednesday 12 June 2024**.

Geography at GCSE has a requirement that students experience the collection of fieldwork data in a physical geographical environment. This prepares students for an aspect of their GCSE examination where they may need to answer questions on the process and findings of the trip.

The full details of the trip are as follows:

Times: We will leave school at **8.50am** and aim to return by **3.35pm**. Should there be a substantial change to this arrival time your daughter will contact you. The Geography Emergency contact number for the day will be 07780 851441.

Travel: Travel will be by coach. If you daughter suffers from travel sickness, please ensure that she has taken medication early enough to take effect and has sufficient with her for the return journey.

Equipment: Students will need to be prepared for either wet / cold weather or warm weather. As such the following will be required:

- Waterproof outer layers – jacket, trousers
- Strong shoes – walking boots are ideal.
- Warm layers of clothing which can be added or removed as necessary.
- Sun cream, sun hat (we can hope!).
- Clipboard with clear plastic bag to keep it dry, pens and pencils.
- A substantial packed lunch and water.
- These items should be carried in a sturdy rucksack not handbags!

If you agree to the details of the trip outlined in this letter, please make a payment of **£35** for Reculver Fieldwork using the WisePay payment system. Please be aware that payment constitutes permission for this trip. As the coach company has strict cancellation terms, payment is required by **Wednesday 27 March 2024**. If you have any financial concerns with regards to payment for this trip please contact finance@newsteadwood.co.uk in confidence.
