

# NEWSTEAD WOOD SCHOOL

"creating opportunities for success"

Headteacher: Mr Alan Blount MA, BSc, QTS

12 November 2018

Dear Parent/Carer

## Ofsted Report 2018

It is with great joy that I write to you to confirm the outcome of the school's recent Ofsted Inspection. We are very proud that the hard work and dedication of our students and staff, along with contributions from parents and the wider community have resulted in another outstanding grade for Newstead Wood School.

During the inspection we were delighted that so many of our students were able to share their personal views and experiences of the school. Following on from the scrutinising of safeguarding procedures, our data and extensive lesson observations, inspectors have positively reflected on all that the school does well and they continue to be impressed with the educational experience and excellent pastoral care and support your children receive.

I am now in receipt of the detailed letter providing feedback from Inspection team and we have attached a copy for your reading. Within the letter we have noted recommended areas for further improvement and the school is already taking steps to act upon these recommendations with immediate effect.

Not many new Headteacher's have the pleasure and pressure of an Ofsted visit in their first half term, therefore I would like to express my personal thanks to the staff, parents and most importantly our fantastic students for your continued support and for recognising that Newstead Wood is a great place to be!

Yours sincerely

Alan Blount  
Headteacher
