

## **Newstead Wood School – PSHE Programme of Study**

### **Key Stage 3**

#### **Objectives**

At key stage 3, students build on the knowledge and understanding, skills, attributes and values they have acquired and developed during the primary phase. PSHE education acknowledges and addresses the changes that young people experience, beginning with transition to secondary school, the challenges of adolescence and their increasing independence. It teaches the knowledge and skills which will equip them for the opportunities and challenges of life. Students learn to manage diverse relationships, their online lives, and the increasing influence of peers and the media.

#### **CORE THEME 1: HEALTH AND WELLBEING**

##### **Self-concept**

H1. how we are all unique; that recognising and demonstrating personal strengths build self-confidence, self-esteem and good health and wellbeing

H2. to understand what can affect wellbeing and resilience (e.g. life changes, relationships, achievements and employment)

H3. the impact that media and social media can have on how people think about themselves and express themselves, including regarding body image, physical and mental health

H4. simple strategies to help build resilience to negative opinions, judgements and comments

H5. to recognise and manage internal and external influences on decisions which affect health and wellbeing

##### **Mental health and emotional wellbeing**

H6. how to identify and articulate a range of emotions accurately and sensitively, using appropriate vocabulary

H7. the characteristics of mental and emotional health and strategies for managing these

H8. the link between language and mental health stigma and develop strategies to challenge stigma, myths and misconceptions associated with help-seeking and mental health concerns

H9. strategies to understand and build resilience, as well as how to respond to disappointments and setbacks

H10. a range of healthy coping strategies and ways to promote wellbeing and boost mood, including physical activity, participation and the value of positive relationships in providing support
