Pupil premium strategy statement – Newstead Wood School

Before completing this template, read the Education Endowment Foundation's guidance on <u>using your pupil premium funding effectively</u> and DfE's <u>using pupil premium guidance</u>, which includes the 'menu of approaches'. It is for school leaders to decide what activity to spend their pupil premium (and recovery premium) on, within the framework set out by the menu.

All schools that receive pupil premium (and recovery premium) are required to use this template to complete and publish a pupil premium statement on their school website by 31 December every academic year.

If you are starting a new pupil premium strategy plan, use this blank template. If you are continuing a strategy plan from last academic year, you may prefer to edit your existing statement, if that version was published using the template.

Before publishing your completed statement, delete the instructions (text in italics) in this template, and this text box.

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview

Detail	Data
Number of pupils in school	823
Proportion (%) of pupil premium eligible pupils	3.3%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended – you must still publish an updated statement each academic year)	2023-2024
Date this statement was published	November 2023
Date on which it will be reviewed	November 2024
Statement authorised by	Alan Blount (Headteacher)
Pupil premium lead	Ben Williams (Assistant Headteacher)

Governor / Trustee lead	Mrs N. Khalid, Chair of
	Local Governing Body

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£27,945
Recovery premium funding allocation this academic year Recovery premium received in academic year 2023/24 cannot be carried forward beyond August 31, 2024.	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£27,945
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	

Part A: Pupil premium strategy plan

Statement of intent

At Newstead Wood School:

- We ensure that teaching and learning opportunities meet the needs of all students.
- We ensure that appropriate provision is made for all students who belong to vulnerable groups.
- Ensure our disadvantage students make the same progress higher ability non-disadvantage pupils and become active and engaged citizens

"More successful schools saw raising the attainment of disadvantaged pupils as part of their commitment to help all pupils achieve their full potential" as stated in 'Supporting the Attainment of Disadvantaged students' (2015). At Newstead this commitment has seen the progress of our disadvantaged students stay high in line with our non-disadvantaged students. Our highly aspirational curriculum at Newstead ensures that all students make progress no matter what their contextual background.

All students are supported to help them achieve as highly as possible, all students are set aspirational targets; through our internal monitoring and tracking system we monitor their performance over time closely so we can intervene effectively when any student is off track.

All pupil premium students, regardless of the challenges they face, should make good progress and achieve high attainment across the curriculum, in line with their peers.

Our strategy is to support all disadvantaged pupils to achieve that goal, including those students who are already high attainers. We are acutely aware of the challenges faced by vulnerable pupils. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not. High-quality teaching is at the heart of our approach, with a focus on the individual needs of each disadvantaged pupil. Implicit in the intended outcomes detailed below is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

Our strategy is also integral to wider school plans for education recovery, notably in its targeted support alongside high quality first teaching for those worst affected, including non-disadvantaged pupils.

We will regularly review the progress and relevant data of the individual pupil premium students, not just evaluating the students as a group. Our approach will be responsive to the individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. Our pupil premium cohort is small, so it is difficult to look at these students by groups, so each pupil premium student will receive at least 1 meeting a term to discuss their individual needs and discuss their progress. The approaches we have adopted help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they are set
- act early to intervene at the point need is identified
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.
- Ensure that disadvantaged pupils are actively involved in the wider school life.

The key objectives of our 3-year plan include:

- 1. Fully embed a culture of high aspirations, work ethic and outstanding behaviour for learning.
- Ensure disadvantaged students make at least the same progress and attainment as higher ability non-disadvantaged students at all Key Stages compared to national data.
- 3. Improve the attendance and punctuality of disadvantaged students.
- Ensure all staff know and understand the barriers to learning when they are identified and take steps to remove them.
- Ensure all disadvantaged students and parents are fully aware and understand further education and choices at each transition.
- 6. Fully engage disadvantaged students by supporting and engaging with their parents.
- Ensure all students have the reading and literacy skills to enable them to make progress across all of their subjects.
- Working with Disadvantaged students in the local area through a programme to support disadvantaged students in preparing for the entrance exam, removing barriers which may prevent a disadvantaged student applying.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
	Nationally pupil premium students underperform their peers. Our target at Newstead Wood is that they perform at least on a par with the wider cohort.
	Progress 8 scores • 2018 PP students 1.12, whole cohort 0.93 • 2019 PP students' data suppressed because of small sample, whole cohort 0.82 • 2022 PP students data 1.18, whole cohort 1.05 • 2023 PP students data , whole cohort 1.14
	APS
	PP: 7.17
	Non PP: 7.62
	A8
	PP:74.25
	Non PP:81.59
	Ebacc APS
	PP: 7.5
	Non PP: 8.31
2	Disadvantaged students must not have a narrower curriculum compared to their peers. They must have full access to the curriculum, including subjects that incur additional financial strains on the family. We need to be mindful that this may be an issue on an individual basis.
	2022 PP students at Newstead took on average 9.78 GCSE's compared whole cohort 10.03 and to 7.78 Nationally
	2022 77% of PP achieved EBACC compared to whole cohort of 71%
	PP Ebacc APS: 8.39 Non PP Ebacc APS: 8.16 Non-disadvantaged national Ebacc APS: 4.70
	In 2023, the average number of qualification taken are:
	PP:10.25 Non PP:10.6
	The Ebacc APS for PP: 7.5 compared to Non PP: 8.31
	Government targets have all 75% of all students (PP and non PP) achieving EBACC and 90% by 2025.

	What subjects do disadvantaged pupils take? English Baccalaureate (EBacc) - GOV.UK (www.gov.uk)
3	Assessments, observations and discussion with KS3 pupils indicate that disadvantaged pupils generally do not attain as well compared to their peers. 78% of Pupils in KS3 last year where in the bottom half of their Year Group when comparing their average grade across all subjects.
4	To ensure PP students achieve at least 96% attendance. Any concern with PP students' attendance is addressed through a multi professional approach. This approach also supports the families, who, otherwise can become disengaged. This is to ensure students feel supported and more confident about attending school and being in the academy. Pastoral staffing has been increased so that students have greater support when returning to school from any period of absence. Last Year at Newstead no year group had a PP attendance of below 95% but only two year groups had a PP attendance above 96%. Persistent Absentee was 18% last year with disadvantaged students being slightly lower at 14% but still above Newstead's target of 10% Pupil Premium students are more likely to be late (2.18% last academic year) compared to their
	peers 1.44%)
5	Welfare issues and mental health challenges are more prevalent now, as evidenced by the increase in referrals. This can impact attendance as well as attainment. Discussions with families and students show that many of our disadvantaged students' mental health has been impacted by partial school closures. These findings are backed up by several national studies on partial school closure and our own UL research. All students to receive a structured PSHE program throughout the year. A non-teaching DSL is being recruited to support with the increasing demands in this area

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress 8	Maintaining the positive progress 8 gap between our pupil premium students and their peers and non-disadvantaged nationally.
	Narrow the range of PP P8 range.
Curriculum Breadth	100% of disadvantaged students in Year 11 and 10 taking Ebacc achieve it.
	90% of disadvantaged students in year 9 select an Ebacc pathway.
	All pupils are exposed to a breadth of experiences that enable them to contextualise their learning.
	Pupils love learning and have access to an engaging, broad, and varied curriculum
	Pupil premium students should not be put off choosing a subject because of cost.
	Teachers and support staff will plan a wide range of visits and experiences to inspire and enhance learning and make it memorable.
	Students need to be supported around enrichment in the subject, so they can grow in the subject
	Children will be exposed to a wide range of social, cultural, enrichment and sporting experiences within and outside of the school day.
	All students need to be supported with their options choice. Pupil premium student need to know they will be supported if these subjects involve additional costs.

Develop a Reading Culture	A reading culture that ensures all pupils read regularly and develop a love of books is embedded throughout the school community All year 7 students have regular sessions in the library All pupil premium students have a small group session with the librarians encouraging them to make use of the library with termly follow up sessions with those that are not regular users (The focus is reading for pleasure).
Attainment 8	Disadvantaged students to do at least as well as their peers at KS4
Improve the attendance and punctuality of students	Monitoring of attendance and punctuality by Assistant Head teacher and Heads of Years. Regular contact with parents to increase pupils' attendance, decrease in persistent absence and improve punctuality. Attendance is a standing agenda on SLT meetings, students receive a fortnightly report of their attendance, Attendance team looking for patterns in absence and lates.
Pupil Premium students are fully prepared for their next steps.	Pupil Premium students show that they are active, well rounded and informed citizens. They act on the support provided by all staff including careers, external agencies, speakers etc. The proportion of PP students who attend extra-curricular activities matches the proportion of non-PP. The proportion of PP students who participate in student voice activities matches the proportion of non-PP.
Percentage of Grade 7+ in English and Maths	Percentage of Grade 5+ in English and Maths 90% of Pupil Premium students to achieve this target.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding this academic year to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 7, 387

Activity	Evidence that supports this approach	Challenge number(s) addressed
T&L CPD Fully embed a culture of quality first teaching by ensuring all staff apply the school principles, supported by Teaching and Learning Reviews and CPD Subject Program. Regular reviews of student progress in lessons through observation of the engagement of PP and PP SEND students in lessons and reviewing work is used to monitor the impact of teaching on students' progress. To ensure that staff	We are proud of our CPD program at Newstead Wood School. Whole school and individual CPD can help teachers obtain new teaching techniques, share best practice, and apply fresh approaches to teaching that allows them to improve their ability both for students, as well as expand their own personal opportunity within the teaching industry, reflecting current pedagogical thinking including Rosenshein's Principles.	1, 2, 4, 5

are kept up to date with barriers impacting the disadvantaged and understand how to tackle these at class and departmental level.	We have dedicated weekly time in meetings to develop this further through deliberate practice which is a standing agenda in all department meetings. Teacher Feedback to Improve Pupil Learning https://d2tic4wvo1iusb.cloudfront.net/documents/support-for-schools/bitesize-support/Pupil_Premium_Guidance_iPDF.pdf https://v2.educationendowmentfoundation.org.uk/evidence-summaries/about-the-toolkits/	
Newstead is fully staffed by subject specialists in all areas of the curriculum. Core subjects have an increased number of sets to ensure that there is greater access to support at all levels. Sets are analysed termly to ensure that PP students are placed in sets that achieve the best outcomes for them based on their prior attainment	https://educationendowmentfounda- tion.org.uk/support-for-schools/school-improve- ment-planning/1-high-quality-teaching	1-5
To ensure that the online platforms used by students are used actively by PP students. To use homework clubs to support students to complete homework.	https://www.suttontrust.com/our- research/learning-in-lockdown/	1, 4, 7

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £ 6,090

Activity	Evidence that supports this approach	Challenge number(s) addressed
Small group work targeting year 7 – 11	Learning Support is carefully targeted at the individual areas for development of the students who attend. The main focus of the classes is to build confidence in literacy: spelling, punctuation, grammar, reading comprehension and writing. This works in tandem with the students' English lessons, ensuring they can progress and reach their full potential, after receiving this additional support. Since the classes are comprised of very few students (four at the most), the environment is low-pressure but focused.	1, 3 , 7
Careers Guidance	 We support students to develop the necessary skills, experience, self-awareness and knowledge to make informed decisions about their future career paths. We help them to Assess their career options and create a personalised action plan Connect with leading employers, universities and providers at events backed up by our supportive network of peers, parents and alumni to inform their options Experience immersive work-based learning opportunities to help them develop the necessary skills and experience to achieve their career goals. 	1, 2, 4

	We provide 1-2-1 career guidance appointments for all PP students. Furthermore, we provide work experience weeks for all our year 10 and 12 pupils and meet with PP students to ensure they are supported to secure suitable placements.	
High Quality Texts	Fully embed a culture of rich vocabulary through explicit teaching, supported by high quality texts. Further embed the whole school reading programme where students in year 7 to 11 read high quality texts with their form tutor and Year 7 to 9 also access reading time during the school day. Introducing the reading program across the school normalises reading and encourages all students to read for pleasure. https://d2tic4wvo1iusb.cloudfront.net/documents/support-for-schools/bitesize-support/Pupil_Premium_Guidance_iPDF.pdf https://v2.educationendowmentfoundation.org.uk/evidence-sum-maries/about-the-toolkits/	1, 3, 4

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 14,468

Activity	Evidence that supports this approach	Challenge number(s) addressed
Regular 1:1 meeting with our pupil premium students with Student support staff	Points to discuss Attendance and punctuality Academic needs that incur an additional cost We have a small cohort of pupil premium students, so supporting them as a group is not appropriate. Supplying support on an individual basis is more appropriate. Student voice will see if they have technology for out of lesson work and if not support them in acquiring correct equipment. https://www.sec-ed.co.uk/best-practice/coronavirus-digital-divide-disadvantaged-children-pupil-premium-technology-remote-teaching/	15
Regular 1:1 meeting with pupil premium students with HoY and AHT	Points to discuss Academic progress Option choices, year 9 & 11 We have a small cohort of pupil premium students, so supporting them as a group is not appropriate. Supplying support on an individual basis is more appropriate. PP lead to speak to student and parents before options – explore and explain Ebacc options and the advantage of taking them.	12

Weekly pastoral meeting with DHT and HoY at each key stage	Each vulnerable child is discussed including our disadvantaged pupils on a weekly basis	1234567
Heads of Faculty and Heads of Year closely monitor the progress of disadvantaged learners	Where the progress of disadvantaged learners is below that of non-disadvantaged learners or below that of their expected attainment pathway interventions are put in place	12
There is an extensive and diverse enrichment program at Newstead Wood	All students are encouraged to participate in the wider school life • Elective program (year 10 –13) • A rich and diverse collection of lunchtime clubs and societies • A wide range of sporting activities are offered at Newstead Wood at both lunchtime and after school Music and Drama form an important part of school life for many students.	3 5
Free school meals	Providing free school meals to our disadvantaged students. "A free school meal that is healthy and nutritious can make a huge difference for infant pupils' well-being, education and health." The BMA	5
Supporting individual disadvantaged students with their academic needs	Suppling calculators, revision guides, supporting student with trips that require added funding etc	12
To fully embed a culture in which PP students can become active and well-informed citizens, who have the work ethic to fully able to access the material expected to reach their goals. Our careers provision ensures all PP students are provided with early careers appointments and follow ups. This also ensures that our PP students are supported in knowing options available outside of their local area.	https://www.aoc.co.uk/blog/why-careers-guidance-more-im-portant-ever	35
Ensure all disadvantaged students achieve at least 96% attendance. HOY/PP and Attendance officer running weekly reports; letters, 1 to 1s and phone calls follow when students drop below 95%	Pastoral team to manage and assist with external barriers to learning for PP students. Data shows that students with low confidence and self-esteem underachieve (Sutton Trust). This is often linked to poor attendance which, in turn, impacts progress. https://www.suttontrust.com/our-research/missing-talent-disadvantaged-pupil-attainment/	5
Up learn platform for certain subjects available for disadvantaged students.	97% of student who completed Up learn courses achieved A8/A in the last 2 years of exams. Uses an algorithm that identifies weak spots for students and focuses on them. Economics, Maths, Chemistry, Physics, Psychology and Biology	1
Ensure all PP students have full access to the PSHE provision at Newstead. A minimum of 2 sessions per week are dedicated to PSHE and another option (RPE, Enterprise, Foundations	https://www.psheassociation.org.uk/content/statutorychanges-september-2020 https://www.nga.org.uk/News/Blog/J une-2021/The-importance-of-PSHEeducation-and-governor-supp.aspx	1-5

studies etc based on year group). At Newstead we		
believe that this provision supports student wellbeing		
and tackles issues that can affect ability to learn such as		
anxiety and unhealthy relationships. Introduction of		
more House Competition Activities enables Pupil		
Premium students to have a culturally rich education.		
Pastoral and wider support is	https://www.suttontrust.com/ourresearch/missing-talent-	4 and 5
offered to ensure any difficulties inside and outside	disadvantagedpupil-attainment/ https://v2.educationendowmentfound	
school are addressed. Reduce barriers to	ation.org.uk/evidencesummaries/about-the-toolkits/	
achievement and attendance		
through wider support (e.g.: provision of a resource,	https://blog.insidegovernment.co.uk/s chools/social-and- emotional-learning	
learning programme, mentoring) so that students		
are in school and making	https://blog.insidegovernment.co.uk/s chools/pupil-premium- covid-19	
progress rather than missing excellent opportunities in the		
academy. Counselling and wider bespoke support		
continue to be provided to		
support students with low confidence and self-esteem		
which is often a contributary factor to poor attendance.		
issue to poor attendantor		
Non-teaching DSL so even more support is easily and		
readily available in a shorter time frame to students.		

Total budgeted cost: £ 27, 945

Part B: Review of the previous academic year

Outcomes for disadvantaged pupils

Outcomes for Year 11 PP in 2023 showed outstanding Attainment 8 value of 7.17. This was above national average for non-disadvantage students. The attainment of PP students at Newstead wood was lower than that of Newstead Wood non-PP students, but the gap was closer as non pp students achieved 7.62. The national gap is 3.95 and at Newstead is 0.45. The previous years at Newstead Wood the PP students achieved higher than their peers, this may be due to small number of PP but is something we will address this year.

The key driver at Newstead Wood is that PP and non-PP students make at least the same progress and achieve the same attainment. PP students at Newstead Wood attained slightly lower the non-PP students at Newstead Wood but still well above non-PP national average.

Key Staff providing 1 to 1 support with disadvantaged students when required including contact with home. The strategic lead for PP monitored PP attendance alongside the attendance officer and made regular contact when students fell below the 96% target. Pupil premium attendance on average was in line with their peers:

Year 7 2022-2023 Attendance: 96.98% (PP 96.86%)

Year 8 2022-2023 Attendance: 95.98% (PP 95.6%)

Year 9 2022-2023 Attendance: 95.11% (PP 97.32%)

Year 10 2022-2023 Attendance: 94.05% (PP 95.63%)

The concern for this year was Year 11 PP attendance was 79% compared to year group average of 83%. This year a focus will be on ensuring PP student in examination year groups have access to Quality First teaching all the way up to their exam

All year groups had regular assemblies to facilities motivation, and also remind them of the wider Newstead community they were a part of. We have also seen PP student engage in the revamped house system. This year the new behaviour system will allow the Pupil Premium lead to analyse the achievement and detentions PP get compared to their peers. The data shows YTD that PP students and non PP students are equally likely to receive a Behaviour Point but PP students on average have received an extra achievement point YTD.

Online platforms now make up a wide variety of homework tasks, the last survey on technology available at home to PP students was during lockdown and will be done as a priority to ensure PP students do not have a disadvantage here.

Results showed PP make excellent progress and obtain fantastic results. The 6th form track Year 13 leavers and bursary's are used to encourage students to attend open days and experience Russell Group and other higher Education Institutions. This is accompanied alongside a thorough careers programme from year 7-13 including guest speakers; often successful alumni or visiting universities.

Disadvantaged	Cohort	National 2023 (non-disadvan-
		taged)
74.25	81.59	46.2
7.5	8.31	4.5
	74.25	74.25 81.59

The actions were taken following consultation with: EEF Student Premium guidance Jan 2019; EEF COVID-19 Support Guide June 2020.
