

Dear Year 12,

It's been amazing to see that so many of you have secured work experience. Medicine, finance, business, psychology, and law seem to be particularly popular!

Please don't forget to complete this [form](#) as soon as you secure your work experience

I know some of you mentioned you are having problems with the form if that is the case, please just email me to let me know who your work experience is with

If you have secured face to face work experience please don't forget the company need to send me their risk assessment

If plan A doesn't work don't forget there is a Plan B where you will be carrying out actions (from home) each day e.g. creating a LinkedIn profile and adding meaningful contacts, writing cover letters etc to help you secure face to face work experience over the summer.

Do keep me posted with how you're getting on. If you're thinking Plan B might work better, please do drop me an email and I will add you to the list

Best Wishes,

Mrs Brown
