Dear Parent/Carer,

KS4 DT/Engineering/Textiles – Materials Contribution

A warm welcome from the Design and Technology Department.

Over the next two years, your child will be experiencing a broad range of materials and processes in Design and Technology and to help us finance this, we are asking for a voluntary contribution of **£20**. These contributions will allow our department to continue to provide opportunities to your child as well as enabling us to invest funds in new tools and equipment.

Your donation will cover a range of materials, such as wood, metal, fabric, linings, accessories and components for the Non-Examined Assessment in Year 11, sketchbooks for Textiles students through Year 10 and the loan of the revision textbook where applicable.

If you are happy to make a contribution towards the cost of your child's resources for DT, please could you make your donation of **£20** via WisePay under the *Shop* section to 'KS4 Design & Technology Materials Contribution' by **Friday 31 October 2025**.

May I take this opportunity to thank you for your support with your child's GCSE Design and Technology course.

Yours sincerely,

Natalie Cameron
