Dear Parents / Carers,

Calculators and Maths Equipment

Thank you for your help in ensuring that your daughter is fully equipped for her Mathematics lessons. At Newstead Wood School, we want to maintain a high standard of organisation in all our students. In lessons, we encourage independence and responsibility, so we don't want students to waste time by distracting others in order to borrow equipment that they may have lost, broken, or forgotten.

Along with their classwork exercise book, students are expected to bring the following list of items to every Mathematics lesson (preferably in a transparent pencil case):

- scientific calculator, preferably Casio fx-991CW, which is recommended for all students in Years 7 to 9. This can be purchased from school for £22.50 via WisePay.
- mechanical / propelling pencil (or regular pencil & sharpener)
- angle measurer
- rubber
- transparent ruler
- compasses
- blue pen
- glue stick

Kind regards

K Fernando

Mr K Fernando

Key Stage 3 Co-ordinator, Mathematics Department

Headteacher: Mr Alan Blount, MA, BSc, QTS
