

## **Bridging Unit work – Politics**

### **Summer 2021**

In preparation for the start of the Politics course, please complete the following:

1. Please read the 3 attached articles on UK Politics carefully
  - a. There will be new vocabulary – please take time to look it up and make a note of definitions!
  - b. Complete the 'Activities' in the orange boxes
    - i. If it says 'group activity' then please work independently OR with a friend/family member
  - c. Please feel free to consider/discuss the 'Exam Style Questions' in the blue boxes, but do NOT write these up (I recommend **not** doing this as you currently do not know how to write the sort of essays required for the course ☺)
2. In Y13 you study US Politics so I've also attached a couple of articles about America which are for personal interest only at this stage.
